EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification:

Replace the phrase "currently pending" at Paragraph [0001], line 2 with "now abandoned".

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicant has amended claim 1 such that it is now sequence compliant and is limited in scope to overcome the scope of enablement rejection of record. Applicant has also narrowed the scope of the claims to address the written description rejection based on the claims encompassing use of only one of the 13 base pair repeats. The claims now require that both 13 base pair repeats be present. The claims were also amended to overcome the issues raised under 35 USC 112, 2nd paragraph.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Valarie Bertoglio whose telephone number is (571) 272-0725. The examiner can normally be reached on Mon-Thurs 5:30-4:00.
